Take Your Web Site To The Next Level!

OmegaNet's CAMEO EZ[®] is an easy to use and complete system for creating and maintaining wholesale web showrooms and retail web sites.

Where Everybody Is A Winner!

*Easy to Build,
Easy to Update &
Easy on the Checkbook*

Services Include:

- Adding Web Showrooms to Existing Sites
- New Web Site Design & Redesign
- Wholesale & Retail Shopping Carts
- Web Site & Email Hosting
- Web Promotion & Advertising
- Integration With Rep Agency Sites

OmegaNet has a reputation for quality, value and personal service, as evidenced by our impressive client list.

Do you think it costs a lot to have a wholesale order-writing web site? It actually “costs more” to be WITHOUT one.

- Web showrooms take orders 24/7.
- Web showrooms don't take holidays.
- Web showrooms save on catalog mailings.

Is your web site generating half a million in sales per year? We have seen it happen.

Millions of dollars in orders are being placed every year on web sites created by **OmegaNet** for wholesalers in the Gift & Décor Industry.

- What do they know that you should know?
- What are they doing that you need to do?
